

Bill Stapleton Wins Volunteer of the Year

The Lloyd Woods Memorial Award for volunteer of the year was recently presented to Bill Stapleton, president of the Ganaraska Snowmobile Club at this years OFSC AGM held at Blue Mountain.

Bill started snowmobiling in 1968 riding a 12.3Hp Ski-doo. Over the years Bill has worked tirelessly and opened trails through the family farm in Kendal and over to the family ranch which bordered the Ganaraska Conservation land. These trails are still used today.

Bill's commitment and dedication to the sport of Snowmobiling often found him using his own equipment for grading and bush hogging the trails. He has averaged over 400 hours a year for the past 10 years on pre-season trail preparation. This year he will break 500 hours volunteered.

With Bills financial skills , leadership and help from his wife Shirley the Ganaraska Snowmobile Club has been very successful. We have built new Groomer sheds, purchased 2 new groomers and arranged to donate the older ones to another district club in need.

The complete story can be found in our Fall Club Tracks newsletter found online at www.ganaraskasnow.ca

Remember . Buy early and save.

Classic permits are \$125 all year and are available for sleds 1996 and older.

A copy of the required form can be downloaded from our website and faxed or mailed to the club office. These permits are not available at any of our permit vendors. You must include a copy of the snowmobile ownership with the application. Cash, cheque, Visa or MasterCard will be accepted however cheques must be made out to District 3.

Thank you to all those that completed the Million Dollar Club Support form and dropped it off to your local BRP dealer by Nov 15th.

Last year the program delivered \$720,000 to over 1600 North American clubs. Through your support the Ganaraska Snowmobile Club received \$1070 last year, we are hopeful that through your support we will reach the maximum of \$1500 this year. Should we reach the maximum we could also qualify to win a Ski-Doo MXZ TNT or Summit Everest E-TEC for the club to raffle off.

All money raised through this program will go directly to the trails.

Thanks again for your continued support
